

Winter Weather & School Closures

Dear Parents/Guardians,

The Snowy weather is just around the corner!

As some of you know, **if Surrey Schools are closed (ie. Harold Bishop Elementary) due to snowfall we will be closed too.** If we get a big pile of snow on the roads, we will not be able to open the center due to safety reasons. For that reason, you might want to listen to the radio or check online for school closures.

I know how important it is for you to have available care for your child so you can go to work. We will do our best to safely get our centre open and hope we will have a regular day. However, if the teachers cannot arrive safely because of treacherous road conditions, we might make the decision to close the center on that particular day.

The best way to know if we are open is to call our center's phone at 604-773-2781 after 7am and if no one answers the phone that will indicate that the center is closed. Please save this information as this will be the procedure for the rest of the winter season.

We hope to have your understanding and support in this matter.

Please kindly reply if you have received this important email.

Regards,

Inspiring Minds
