

PHOTO DAY IS COMING!!!

APRIL 4th, 2024

Dear Parents/Guardians,

We will be having **PHOTO DAY** on April 4th 2024, at 9:30am.

A professional photographer will come and take both individual and graduation photos. Pictures will be taken of all children on this day.

Preschool class times will remain the same for children that are registered in the Tuesday/Thursday and 5 days (M-F) classes, however children registered in only MWF classes - parents will remain outside the classroom until your child is finished for safety and security reasons (we will have them go first).

Thank you for your cooperation and support!
